UN Forced To Admit That Vaccines From Bill Gates Are Spreading Polio Throughout Africa

A new report (<https://www.who.int/csr/don/01-september-2020-polio-sudan/en/>) by the World Health Organization (WHO) (<https://humansarefree.com/2020/09/who-admits-polio-vaccine-causing-polio-outbreaks-in-africa.html>), a branch of the United Nations (UN), confirms everything we have long been saying about the deadly nature of Bill Gates' vaccination programs in the Third World.

Entitled, "Circulating vaccine-derived poliovirus type 2 – Sudan," the report outlines how polio vaccines from the Bill & Melinda Gates Foundation are spreading more polio (<https://21stcenturywire.com/2020/09/04/un-forced-to-admit-gates-funded-vaccine-is-causing-polio-outbreak-in-africa/>) throughout Africa.

Not only that, but these "relief" jabs are killing young black lives in places like Chad and Sudan where outbreaks of the vaccine-induced disease are spreading like wildfire.

Amazingly, the WHO openly admits that the strain of poliovirus currently circulating, known as cVDPV2, is "vaccine-derived."

This clearly indicates that it is being spread by the very same vaccines that Bill Gates claims are helping to "save lives" and "eradicate polio."

"Sequencing of viruses isolated in Sudan so far reflects that the viruses are related with viruses reported earlier in neighboring Chad from where there were multiple separate introductions into Sudan from Chad," the report explains.

"There is local circulation in Sudan and continued sharing of transmission with Chad."

Bill Gates Paralyzed Half A Million Children With Polio Vaccines – Do We Really Want Him Vaccinating The World For Coronavirus?

Bill Gates Is A Virus Much Worse Than COVID-19

As far as we know, this is the first time that an official government body – and the WHO, no less – has used the words "vaccine-induced" to describe how and why polio is still spreading all throughout Third World Africa.

As you may recall from years past, both the mainstream media and health authorities would routinely refer to it as "polio-like illness" so as to avoid implicating chemical jabs as the culprit.

But it is now clear beyond a shadow of a doubt that "polio-like illness" is actual polio of the type that exists in the vaccines being mass-distributed by the Bill & Melinda Gates Foundation

Would You Trust COVID-19 Vaccines From Bill Gates In Light Of The Polio Fiasco?

All of this is cause for concern when considering that the same Bill Gates who is killing innocent black lives with polio vaccines now wants these same black lives to be jabbed with vaccines for the Wuhan coronavirus (COVID-19).

Right this moment, the GAVI Vaccine Alliance, another Gates Foundation-funded vaccine group (<https://humansarefree.com/?s=GAVI+Vaccine+Alliance>), is testing experimental Wuhan coronavirus (COVID-19) vaccines (<https://humansarefree.com/2020/07/bill-gates-who-trump-gives-billions-to-gavi.html>) on young black lives (<https://humansarefree.com/2020/06/melinda-gates-black-indigenous-people-should-get-covid-vaccine-first.html>) without informed consent.

Does this seem legitimate to you, and something you would agree to in the event that it was suddenly thrust on you and your family?

Keep in mind that when we reported (<https://humansarefree.com/2020/05/bill-gates-paralyzed-half-a-million-children-with-polio-vaccines-do-we-really-want-him-vaccinating-the-world-for-coronavirus.html>) in the past about vaccines from Bill Gates causing more disease and death, some people accused us of spreading "conspiracy theories."

Based on that logic, the WHO is also now guilty of spreading conspiracy theories with its new report.

"And why India has also filed a lawsuit against Gates for crimes against humanity, but in India Gates caused the paralysis of over 450,000 babies and children (<https://humansarefree.com/2020/05/bill-gates-paralyzed-half-a-million-children-with-polio-vaccines-do-we-really-want-him-vaccinating-the-world-for-coronavirus.html>) with his life-threatening and disabling poisons called vaccines."
